

# Spread Kindness

**Purpose:** Practice acts of kindness.

Fill in the hearts with kind messages. Then color and cut out the card and hang it up in your classroom for all to see!

A large dashed-line rectangular frame containing three identical illustrations. Each illustration features a green and white geometric robot character with its arms raised. Above each robot is a large, empty heart shape. The hearts are decorated with small icons: a heart with radiating lines, a heart with a dot, and a heart with a dot and radiating lines. The entire scene is enclosed in a dashed border, suggesting it is a template to be cut out.
