

Turn It Around!

Purpose: Identify what negativity online looks like and understand ways you can change the conversation.

We all know what it feels like when someone says something in person or online that makes us feel sad or insecure. Did you know that you can steer a conversation in a new direction with just a few kind words? Read the conversations below and **share how you might get things moving in the right direction.**

SparkleGamer:
OMG Love this!!!

DungeonDasher55:
What is going on with your hair?

How might you respond?

Tip: You could say something nice about SparkleGamer's hair.

HoopDreamer23:
I can't believe we almost lost that game.

CourtCaptain88:
Yeah. Sam, you really need to get it together.

How might you respond?

KoalaKid:
Did you see Abby's project poster? What a mess!

RainbowSketcher22:

How might you respond?

BookwormBuddy12:
Do you all want to hang out this weekend?

ChapterChampion:
♡ But don't tell Jamie.

How might you respond?

Talk it out: Pair up with a classmate and share your responses.
